ORDER

ARUN SUBRAMANIAN, United States District Judge:

The complaint in this defamation case claims diversity jurisdiction. Dkt. 1 ¶ 2. The complaint alleges residency of the natural persons in the case as well as the principal place of business of the corporate defendant. *See id.* ¶¶ 4–7. These allegations are insufficient. There must be complete diversity of citizenship. Natural persons' citizenship is determined by domicile and corporate citizenship is determined by both principal place of business and state of incorporation.

By March 8, 2024, at 5:00 p.m., Plaintiffs shall voluntarily dismiss their claims, file an amended complaint correcting these pleading deficiencies, or propose another path forward.

SO ORDERED.
